[Read Customer Reviews](#)

ABOUT THE FACE MASK: synchronize your body, spirit and mind with our beautiful new collection of face mask specifically manufactured with a 3D Shape that creates a bigger breathing room and avoids you against airborne particles, pollution etc. Additionally it comes with ear-loop silicone adjuster and a flexible nose clip to fit perfectly.

3 LAYERS 3D SHAPE ERGONOMICALLY DESIGN : Printed with colorful ink, the breathable mask is made of 2 cotton layers and 1 polyester layer, provides with the most soft touching and can reduce the irritate to your skin. The 3D ergonomically design gives the freedom of movement and the lightweight cotton wicks away sweat and moisture. In addition it can be easy to adjust and avoid sliding off and snug fit to your face.

DAILY OUTDOOR USE: Reusable and washable face mask. The adjustable nose clip offers snug fit and avoids the glasses fog up, ideal for any activity that involves outdoor exercises such as: running, hiking, biking, skiing, snowboarding, fishing, shopping, etc.

EXCLUSIVE DESIGNS: When you find the design in the pictures is colorful and beautiful, you will love it when the item arrived to you. Please enjoy our new bright patterns which is made with environmentally friendly ink and digital printed technique that hold up the colors after washed.
