

Ear Loops Neck Gaiter Ice Silk Face Cover Scarf with Ear Hanging UV Protection Bandana for Hiking Cycling Review-2021

[Read Customer Reviews](#)

What you get: come with 6 pieces of face covers in 6 different colors, rich in colors and sufficient quantity for you to choose according your needs, easily match with a variety of clothes

Quality material: the bandana scarves are made of quality ice silk fabric, moisture wicking fabric keeps heat and humidity away from your body and outside of the bandana, can keep you feel cool after long wearing, dry very quickly in minutes instead of hours, you can wear it to protect your face from getting burned from the sun, also nice accessories to keep your nose and mouth clean

Ear hanging design: each summer face cover half scarf is featured with the ear hanging design, more convenient to put on and off, it brings your ears with more comforts, less pressure than the common face covers

UV protection face cover: this outdoor face bandanas can protect from UV, wind, dust and smoke, good to wear for outdoor activities and sports, you can wearing it as a headwear, scarf, face cover, or motorcycle face cover, can protect your head, face, neck and ears

Wide range of usages: the ice silk bandana scarf with ear hanging design is suitable for running, hunting, snowboarding, fishing, hiking, motorcycle, biking, skiing, and snowmobile riding, mountain, biking, can be applied for bikers, hikers, outdoor sports, parties, festivals, etc. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
