41 mm stainless steel case with mineral dial window

Quartz movement with analog display

Black leather calfskin band with buckle closure

Water resistant to 30 m (99 ft): In general, withstands splashes or brief immersion in water, but not suitable for swimming

Emporio Armani Watches Give You Dynamic Style

Emporio Armani is the pioneering line launched by Giorgio Armani in 1981, aimed at the young. The name suggests its revolutionary character, as the term Emporio (emporium) suggests a type of democratic fashion. From the start, Emporio Armani was a fashion phenomenon, and the logo, with its characteristic eagle, has become a symbol of belonging for its many young fans around the world. Over the years the collection has evolved and grown and today Emporio Armani is very much its own line, running in parallel to the main line, evoking a dynamic and uninhibited spirit. There are recurrent features such as casual style and aesthetic elegance, which are reworked season after season using a lively, metropolitan language. Emporio Armani expresses vitality and a carefree attitude and possesses a particular allure and a special graciousness. This is a collection rich in ideas, always suggesting new ways of dressing to reflect the lifestyle of today's youth.

ABOUT US

Emporio Armani is the pioneering line launched by Giorgio Armani in 1981, aimed at the young. From the start, Emporio Armani was a fashion phenomenon, and the logo, with its characteristic eagle, has become a symbol of belonging for its many young fans around the world.

ABOUT THE MOVEMENT

Three-hand Quartz: This electronic movement features a quartz crystal that oscillates when a current is applied
Multifunction: Movement built into three separate sub-eyes for the day of the week, date of the month, and 24-hour time.

Chronograph: A multifunction watch with stopwatch functionality

QUALITY MATERIALS

Our high-quality leather is known for its softness and ability to look good over time. Stainless steel bracelets are extremely durable and can last the lifetime of a watch with proper care. Silicone straps are waterproof and comfortable to wear. Acetate watches are extremely durable and lightweight.

SPRING 2021 COLLECTION

With design influences ranging from watersports to ready-to-wear, Emporio Armani's latest watch line combines a rich Italian heritage with modern inspirations for today

WATER RESISTANT

3ATM: withstands splashes or brief immersion in water but not swimming or bathing

5 ATM: wearable around household sinks or while swimming in shallow water

10 ATM: suitable for bathing, swimming, or snorkeling, but not scuba diving
