Whether they are sitting, jumping, kicking a ball or just kicking back, fabrics that stretch make for comfort that lasts.

French Toast values the hard work that goes into every dollar spent on your child's wardrobe. Most of our pants and skirts are made with adjustable waists to allow for the growth that comes with being a kid.

At French Toast, we value your time and your child's appearance. Our Wrinkle No More fabric provides a polished look - no elbow grease required.

Kids play, kids grow, kids fall and get back up. French Toast reinforces the knees of most of our pants to make sure they last a little longer so that your child can play a little longer.

Why School Uniforms?

School uniforms create an enhanced climate for learning. Uniforms help students focus on their most important task, learning.

By eliminating the daily distractions of unregulated school clothing, as well as the peer pressure associated with "label competition," uniforms set the tone for a proper work attitude in the classroom, reduce behavior problems and improve student performance.
