Tabletop Ironing Board with Iron Rest

Your laundry area has never been the biggest space in your home, and ironing usually calls for a lot of room to get those shirts crispy. Not any longer.

This tabletop ironing board with iron rest allows you to find whatever room in your home makes you happy and unearth your ironing skills there. Then, when you're done, just collapse it and store it back where it's out of the way. That'll have you and your space looking its best.
