1. Slimming High waisted full panel supports: High waisted maternity yoga pants over bump leggings are made for pregnant women who crave comfort, but don't want to sacrifice style or performance during pregnant time. These pocket leggings for women feature a wide, high rise soft waistband that adds support for your whole pregnancy time.

2. Smart Phone Pockets: Step into your first pair of these High Waist over bump maternity yoga leggings and never go back to the overpriced yoga pants you used to wear. Best of all, these ankle leggings have 2 side pockets. Now you have a place to store your cell phone during pilates or spin class. After just one wear, these versatile capris are sure to become your go to activewear for sweat dates or just sitting on the couch.

3. For Stage : Trimester 1, Trimester 2, Trimester 3; All Prenatal Exercise, Pregnancy Day-To-Day. For shopping, Vacation, Travel, Party and Leisure occasions. 16 colors leggings can match your favorite any colors shirts, T-shirts, coats, cardigans, etc., which is comfortable and stylish. Perfect gift for pregnant wives and mothers.

4. Pregnant women basic maternity clothes: Stylish maternity pants that will keep you all day comfortable. Best for lounging around the house, running errands, or grabbing lunch with friends. Pair them with fitted top and a blazer to wear to work, or with sneakers when you're on the run. Use them as base layer leggings when layering up with boots and scarves during the fall and winter.

5. Size Info: SM/ LXL two sizes fit all stage: Size up if you are wearing early postpartum. You want a comfortable but not too tight fit. Order the size you will be approximately when you are wearing them, not your pre-pregnancy size. Choose the most comfortable Leggings during pregnancy: Kegiani Leggings.

Maternity leggings that can be worn during the 3 stages of pregnancy, the leggings have an adjusting button on the waist, and you can adjust the size of the pant as your abdomen grows. Fashionable and all match style pregnancy leggings: Whether it is sports or casual wear, this pair of maternity leggings can be matched, so you can avoid the trouble of matching clothes.

More Futures of Kegiani High Waisted Maternity Leggings

Breathable fabric: Pregnant women are prone to sweat due to their special physique. These breathable maternity pants are comfortable for a whole day and can quickly absorb sweat and wick away sweat even during exercise. Pocket Design on the side: Its can free your hands whether you are indoors or going out, you can put the items you need to carry into pockets when you are exercising in the gym, jogging, or yoga. Four sizes: You can choose the size of pregnant pants that you suit according to your body shape, belly size, and pregnancy stage.

Stay Put

For the pregnant women who like to exercise, the band of this maternity leggings can maintain tightness without falling, allowing you to maintain a charming curve at all times.

High Waist

High waistband of maternity yoga pants can support the waist very well, and is very comfortable against the abdomen. It is not loose or too tight, and can relieve the waist pain caused by the abdomen.

Non See Through

Breathable but non see through fabric maternity legging to avoid embarrassment during pregnancy.

Full of Elasticity

This pregnancy pants made of 82% high-performance nylon and 18% spandex that gives it a strong elasticity, so it will not feel squeezed in the abdomen, and no matter how you exercise, it will not be restrained at all.

These maternity pants come in more than 10 difference colors, you can see all the colors at the shop cart, choose the colors and patterns you like, we recommend you to buy several super stretch maternity leggings to wear according to the mood and occasions, they will let you feel comfortable whole pregnancy.

Perfect pregnancy leggings are suitable for any occasions, you always have a comfortable and

fashionable feeling all the time.
