If you want to know more!

The Jade Facial Roller is an incredible tool for inner and outer beauty. Facial rolling is relaxing and de-stressing. It's been a beauty ritual since ancient times in China, dating all the way back to the 7th century. Physically, it helps to firm the look of skin through gentle massage. It also aids in supporting the lymphatic system, the body's main major detoxification system. Metaphysically, jade brings peace and harmony, and is known to help reduce stress.

jade roller

jade roller

The large roller can be used for the massage of the forehead, cheeks, chin, neck.

The small roller is suitable for around the eyes, above the nose .

And all of them (light) scrolling action will be upwards. Remember, we are countering sagging so we can NEVER make any downward movements.

ridge roller

The Ridged roller is used in the same way as the large roller. It can be applied to the forehead, face and chin. It can also be used to massage other parts of the body such as the arms and legs. Ridged roller can better relieve skin tension and promote blood circulation.

gua sha tool

Gua sha is a natural, alternative therapy that involves scraping your skin with a massage tool to improve your circulation. This ancient healing technique may offer a unique approach to better health, addressing issues like chronic pain.

Made of real jade stone

Made of 100% real jade stone. Each Jade Facial Roller will vary slightly in color and shape since each is made from genuine stone and each stone is unique. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
