**The One and Only Kinetic Sand Beach Sand Kingdom Playset**

Bring the beach indoors with the Kinetic Sand Beach Sand Kingdom! The sandcastle building playset comes with 3 lbs. of Kinetic Sand that magically feels like wet beach sand even though it's actually dry. With 6 castle-themed molds and 2 multi-purpose tools included, you can create and build incredible sandcastles anywhere. Before you start, transform the package into a sandbox where you can shovel, squish and mold the Kinetic Sand into the sandcastle of your dreams!

**Feels Just Like Wet Beach Sand**

Grab handfuls of Kinetic Sand and let it drizzle through your fingers. It's amazing how it feels like wet beach sand but it's dry! Kinetic Sand is made with natural sand that never dries out so you can build sandcastles all year round!

**Endless Possibilities**

The building possibilities are endless with 3 lbs. of Kinetic Sand. The package turns into an inviting beach-themed area for building your ultimate sandcastle. When you're done, pack the Kinetic Sand, molds and tools inside until your next trip to the 'beach'!

**Colorful Sandcastle Molds and Tools**

The Beach Sand Kingdom playset comes with everything you need to build a custom sandcastle. Use the 6 castle-themed molds to sculpt bridges, turrets, and walls. You can even dig a moat surrounding your kingdom. The two double-sided tools are handy for scooping, shoveling and raking the Kinetic Sand. It's also relaxing to mold the sand with your hands into freeform sculptures. Anything goes!

**Encourages Creative and Imaginative Play**

The Kinetic Sand Beach Sand Kingdom promotes language learning through play. Sandcastle building is not only buckets of fun but also encourages language through storytelling and pretend play.
