

Learning Resources Helping Hands Fine Motor Tool Set Toy, Fine Motor and Sensory Toy, Fine Motor Games, Ages 3+ Review-2021

[Read Customer Reviews](#)

GREAT FOR SENSORY BINS: 4 of our finest tools packaged together

KIDS FINE MOTOR TOOLS: Builds fine-motor skills

STRENGTHEN HANDS: Strengthens hand muscles needed for writing

GREAT VALUE: Includes 1 of each tool: Gator Grabber Tweezers, Handy Scoopers, Twisty Droppers, Squeezy Tweezers

Ideal for ages 3+ Helping Hands Fine Motor Tool Toy Set

The four tools in this set offer a variety of playful, hands-on ways for preschoolers to develop the many small muscles of the hands and fingers. Weâ€™ve designed each of these tools with bright colors and whimsical shapes so theyâ€™re irresistible to children. Made from sturdy plastic, each is sized just right for little hands.

Learning Is Where We Play!

Our mission is to help kids love to learn... and get ready to take on the world. To turn "I think I can" to "I know I can." Our award-winning toys help kids build a love of learning that lasts a lifetime.

"What we love about their toys is that the kids don't realize when they're playing with them, we're actually teaching them,' [Danielle Busby] says."

"Learning Resources produces a variety of toys that straddle the line of education & entertainment for toddlers, 5th graders & every age in between."

â€œLearning Resources shares our [Bill & Guiliana Rancic] commitment to learning through play and believes in the importance of STEM education."

"Learning Resources is one of the leaders in educational and STEM-related toys." Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
