[Read Customer Reviews](#)

**BRIGHTEST & LONG-LASTING** LETMY high lumens flashlights use the BEST XML T6 LED Chip, not other cheap XML T6 ones. The flashlights emit 2000 lumens, 70% brighter than basic LED flashlight. High performance flash lights with high quality of 50,000 hours working life.

**ADJUSTABLE FOCUS & FIVE MODES** Powerful LED generates a brilliant large area floodlight or a perfectly focused spotlight. Adjustable focus with 5 modes: High, Medium, Low, Strobe, SOS. A full-press to switch on and off and a half-press to cycle through lighting modes (a rapid off-on press also cycles lighting modes). Convenient for your using.

**WATERPROOF & HIGH QUALITY FLASHLIGHTS** IPX6 Waterproof, LETMY flashlights can waterproof from splashing water from any angle and heatproof. Made of aluminum alloy and rubber. Durable military grade aluminum alloy crust, abrasion resistance. LED flashlight takes 3 AAA batteries or one 18650 rechargeable battery. (Batteries not included)

**UPGRADED NEW DESIGN** The flashlight tail adopts the newest design, making it more comfortable to press and more convenient to use. A pocket-friendly belt clip make flashlight easy to carry, anti-slip finish holds fast in your hand and hand strip stands on-end as an emergency light.

**EXCEPTIONAL VALUE** Include 2 tactical flashlights, keep one in your car, one in your home, or gift one to a friend or family member, great idea as a Christmas gift. You will get 2x LETMY Flashlights, 2x AAA Battery Holders, 2x Battery Tubes, 2x Lanyards, 1x Operation Guide. (Batteries are not included) Why LETMY ?
