

LODAY Compression Short Torso Waist Training Trainer Slimmer Body Shapewear Review-2021

[Read Customer Reviews](#)

Hook and Eye closure

The waist slimming corset with 3 hooks & eyes allows you to adjust the compression you need, while instantly firm your abdominal area. The waist trainer corset with 4 spiral steel bones can provide extra support to lower back pain and keep you in the best posture.

This waist shaper features with durable high compression fabric holding everything in comfortable, lightweight and breathable standard. High compression around your waist can reduce your waistline by more than 3 inches to give you a desired hourglass figure.

This waist trainer shaper slimmer is about 28cm in length so it is suitable for long/short torso. When you put it on, it will cover pretty much your entire stomach, especially the fat and abdomen. This Underwear corset for women can be matched in any clothes in the daily work. And it is perfect for outdoor activities like running, yoga and hiking.

Multifunctional Waist Cincher- The efficient waist trainer can flatten abdomen, reduce waistline, support back, postpartum recovery, improve posture, warm muscle and relief waist pain.

No matter what size you are, buy one size up! We are confident that you will love your waist cincher girdle! Making you 100% satisfied is our priority! If you are not happy with your product we offer free return or full refund. Are you still worry about staying at home and no exercise causing obesity? Let's use LODAY shapewear to GET YOUR SEXY FIGURE BACK!

Our waist trainer is comfortable for all day wearing. Its 3 hook-and-eye closures classic design, allow you to adjust size when necessary. Make sure that it can fit your figure at the most extent. Providing compression when you need more pressure to flatten your tummy. Its 4 spiral steel bones, it can offer you extra support and prevents the garment rolling up or down. It also can help you relieve back pain, improve posture and reduces risk of injury. Its bones is soft, flexible and durable. No worry that it will hurt you.

Shape Your Hourglass Body Immediately

Flatten abdomen to achieve postpartum recovery, instantly slims waist and shapes your body into an hourglass figure. It also gives your chest a perfect support which makes your curve look charming. No matter for postpartum recovery, improve posture, fitness, outdoor sport and daily life. It's a wise choice!
