ERGONOMIC SUPPORT: Helps reduce the risk of stretch marks by providing gentle support to the uterus, supporting weak abdominal muscles during pregnancy and even post-pregnancy, reduces the likelihood of uterine prolapse, ideal for both prenatal and postpartum pregnancy bellies.

EASE PREGNANCY PAINS: Reduces pain and supports the abdomen as it grows in the abdomen, especially for mothers with twins. Abdominal adhesives reduce bladder pressure, improve blood circulation, and promote good posture. This is your baby's prenatal cradle. You can also use it after pregnancy.

SOFT & BREATHABLE DESIGN: Our maternity belt is made from soft and breathable fabrics. The maternal abdomen is made of polyamide and elastane. The lightweight mesh design provides excellent breathability and comfort for a comfortable fit. The support belt for pregnant women (up to 54 inches) stretches to the required size and can be adjusted during pregnancy and postpartum.

STAY ACTIVE WHILE PREGNANT: Designed to be worn daily during your day to day activities. You do not have to limit your abilities while wearing this pregnancy brace. A happy and healthy mommy = A healthy baby!

PERFECT GIFT FOR NEW MOMS: As the mom's belly and chest circumference is getting bigger, the kit also comes the pant extender and bra extender to bring them great pregnancy process. Get a pregnancy surprise gift for new moms, they will love it! Let new moms feel loved. We are here and provide the excellent service for you. Any issues please contact us. We will provide full refund if you're not satisfied without asking.

THANKS TO: skin-friendly & cruelty-free material made of polyamide and elastane without chemical smell, suitable for any sensitive skin.

STAY IN PLACE: because you can control the tightness according to your body shape and belly size, so pregnancy belt will mesh together tightly your belly and waist, never creeps up.

FEELING LOVED: our belly band supports your abdomen just like you lift it up with your hands while sitting and walking, your fetus feel your care and love like as in a cradle.

KEEP POSITIVE EMOTION: because our belt can hold your pregnant belly up, snap out of your pelvic pain from carrying a baby, make you stay active and happy, feel more confident after having a baby.

DURABLE & ADJUSTABLE: because of sturdy and strong velcro and high elastic fabric provide support for your growing belly so that it can work last till the end of pregnancy.

ONE SIZE FITS MOST: Our pregnancy support belt stretches to fit your natural curves and is easily adjustable throughout your pregnancy.
