

Nokia 2.4 Android 10 Unlocked Smartphone with 2/32 GB Memory, 6.5-Inch HD+ Screen, 2-Day Battery Life, Fingerprint Sensor and Google Assistant, Charcoal (AT&T/T-Mobile/Cricket/Tracfone/Simple Mobile) Review-2021

[Read Customer Reviews](#)

Capture detailed shots on the Nokia 2.4 Android Smartphone after dark with its Night Mode advanced image fusion and exposure stacking.

Put your best face forward with Portrait Mode's custom shapes and blurred backgrounds, plus the phone features a new Portrait editor.

Charge less and get up to 2 days on a single charge with the 4500mAh AI-assisted Adaptive Battery.

Your phone is ready for Android 11 and beyond. Get the latest features with three years of monthly security updates and two years of software upgrades.

Unlock your device quickly and easily with the convenient fingerprint sensor. Includes phone, charger, cable, and quick start guide.

Capture Details in the Dark
Take vibrant photos in darker conditions with Night mode's advanced image fusion and exposure stacking.

Perfect your Portraits

Art direct your world with Portrait mode's custom shapes and blurred backgrounds, plus the new Portrait editor.

Power that Keeps on Going

Get up to 2 days¹ out of Nokia 2.4 on a single charge, thanks to the 4500mAh³ AI-assisted Adaptive Battery.

Bigger Screen, Better View

Watch, learn and create on the 6.5-inch HD+ display – complete with a selfie notch to maximize your screen experience.

Open with a Personal Touch

Easily unlock your device with the convenient fingerprint sensor, or simply use the AI face unlock – so your phone stays yours.

As Beautiful as it is Durable

The 3D Nano-textured cover sits securely in your hand with a stunning Nordic finish, while the diecast metal chassis provides a comfortable, solid feel.
