Taking style inspiration from what's hitting the runway to the latest street style, okilol aim to create covetable, comfortable and stylish footwear designs for your child. We have various fun designs available covering all types of moments from casual occasions. Our quality control team oversees every part of the manufacturing process. We pride ourselves on our attention and dedication to detail design without sparing comfort.

Elastic strap design

Elastic strap design to make it easy for kids to get the shoes on and off, The shoes are now an important purchase. Your child needs something sturdy and comfortable, while still remaining

stylish. Shoes can no longer be bought just because they look cute. Instead, they need to be able to let your little one comfortable

Canvas upper

Featuring white sole and canvas upper, no stimulation to baby feet skin, These adorable Sneakers are made from canvas, making them durable and long-lasting. Having a thick sole also ensures your toddler's feet are safe, no matter where they are. These sneakers are incredibly comfortable with their canvas upper and soft textile lining. They are also very easy to put on with the elastic strap.

Comfortable padded collar

Fully lined with natural, comfortable padded collar for those little feet to help them walk

comfortable, There are more colors available, either lightweight, green dinosaur or a very trendy navy, to suit your toddler's budding fashion sense. You could even match your sneakers with your child for some adorable photos. and your little one can be ahead of the game with these sneakers. They are super comfortable to wear and will make walking feel that bit easier.

Non-slip rubber outsole

Non-slip rubber outsole provides excellent traction, lightweight for all-day comfort, The okilol Classic canvas Shoe is very comfortable for little feet, and your kid will actually enjoy wearing them. Even those little ones who have trouble wearing shoes will be pleasantly surprised with these sneakers.

They are true to size, even on wider and growing feet, and can withstand hours of playtime. These canvas Sneakers are adorable and very high-quality making them a great purchase for your growing toddler.
