OMOTON Tempered Glass Microsoft Surface Pro 7+ 6 5 4 Screen Protector

Compatibility

This Premium Glass Screen Protector fit Microsoft Surface Pro 7 Plus / Surface Pro 6 / Surface Pro 5 / Surface Pro 4

Surface Pencil Compatible

When you use your Surface Pencil on regular glass protector, you may feel the typing is unnatural &

inconsistent. We adopt the best Gorilla Glass with smooth oleophobic hydrophobic surface, you may forget the existence of our screen protector.

[2.5D Rounded Edge]

With laser-cut technology applied, this protector has 2.5D rounded edge, which provides better user experience and maximum protection for you.

9H Hardness

9H harness tempered glass, which is 3 times stronger than normal 3H hardness, can effectively protect your Surface Pro 7 Plus / Surface Pro 7 / Surface Pro 6 / Surface Pro 2017 / Surface Pro 4 from unwanted scratches and friction from keys, knife and other hard objects.

High Transparency

98.86% light transmittance ensures maximum resolution for super AMOLED displays, you can barely feel the glass protector when reading or watching.

Sensitive-touch

Highly responsive and sensitive touching performance makes your Surface Pro 7 Plus 7 6 5 4 function smoothly and work fast.

Easy Installation

The glass screen protector can be easily installed without bubbles and removed without residues. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
