JOOL BABY'S POTTY SEAT

Join thousands of satisfied parents and let Jool Baby improve your toilet training experience. No installation necessary, our uniquely designed potty seat fits naturally on most standard home toilet seats. Training children on an adult toilet allows them to be comfortable and familiar when they are ready to try without the help of a potty. Designed to blend comfortably into any environment, our potty seat features a kid-friendly aqua and white design that will make it a favorite for your little one as well. A built-in splash guard helps maintain cleanliness, and a non-slip grip base keeps the seat secure and in place while in use. Jool Baby also includes a free adhesive hook for easy potty storage. Get our potty now and experience the Jool Baby difference.

Non-Slip

Maintaining your child's confidence is key during the toilet training process. Our non-slip design ensures that your child stays in place while using the bathroom, ensuring comfort and security during the training process.

Easy Maintenance

Featuring a smooth, sleek surface, our training seat is incredibly easy to clean. Use a simple moist wipe to clear away stains or residue and you're all set!

Splash guard

Need to change your shirt after every bathroom visit with your kid?! Keep you and your bathroom clean while your kiddo learns the ropes. This splash guard was designed to keep it all where it belongs.

Easy Storage

Every mom knows you always need that training seat handy for last-minute bathroom runs. A damage-free adhesive hook is included for easy storage so you always know where your potty is.
