Pack of 50 Iron On T-Shirt Printing Paper in 8.5X11" for Dark and Black T-Shirts. Our advanced technology allows printing on various other textiles, such as pillow cases, aprons, or any other cotton/polycotton fabrics

Transfer text, images and pictures onto Dark and Black fabrics using a domestic iron OR heat press machine. Unlike cheaper versions of Transfer paper, the PPD Transfer is designed to be cut using normal scissors, but is also 100% compatible with cutting machines

Premium professional quality Transfer paper, used by PPD customers on a commercial scale, for over 10 years. The uniquely formulated t-shirt transfer paper bonds with the fabric, leaving it soft, flexible, crack free, stretchable and fully machine washable

Compatible with all inkjet printers, using normal regular ink. Clear step-by-step instructions, as well as a video tutorial link, will arrive in your pack

Great for kids' crafts, family reunions, birthdays and anniversaries. Customize your t-shirts, hoodies, sweatshirts, home decorations, just about anything. Full instructions and everything you'll need included in every pack, the only thing you will need to bring is your imagination!
