## No Compromise To Quality and Durability

Primacare HB-10 Emergency Foil Mylar Thermal Blankets are so affordable and you even get more value with this 10-piece package. Don't let the price tag fool you. These thermal blankets are made of top-quality materials. The thick Mylar foil is very tough and can withstand even the harshest of outdoor weather conditions.

## Perfect Professional or Personal Use

Primacare HB-10 Emergency Foil Mylar Thermal Blankets are not only for survival situation use, they're also perfect for emergency response personnel use for treating patients with post accident shock. The packaging is so compact and light weight, several packs can fit in EMT jump bags or outdoor adventure backpacks.

## A Must Have For Any Outdoor Adventure

Primacare HB-10 Emergency Foil Mylar Thermal Blankets will not only keep you warm during an outdoor emergency in a freezing environment. It'll also keep your body temperature stable in case you find your self in an emergency under the hot scorching sun by deflecting the heat from the sun when used as a shelter.
