

Silicone License Plate Frames, 2 Pcs License Plate Holder with Drainage Holes, Universal American Black License Plate Frame, Rust-Proof, Rattle-Proof, Weather-Proof Review-2021

[Read Customer Reviews](#)

UNIVERSAL SIZE: Perfect automotive exterior accessories fit any standard-issue car license plate (Size: 12" x 6.29") in US or Canada and universal for front & rear plate. Zero sticker obstruction, it won't cover any information on the license plate. 100% street legal and will not get stopped by the police. Please check the product size carefully to ensure that you have purchased a license plate frame that suits you.

HUMANIZED DESIGN: Our car license plate frames have 8 drainage holes to release water fast to keep the license plate dry. Black matte material does not discolor or rust and gets better with use.

RUST-PROOF. RATTLE-PROOF: Enjoy the silence with the industrial grade premium silicone material that stops license plate frame rattling and prevent scratching your car paint. Rust proof and weather resistant which never tarnish, ice over, deform, or lose shape all year round. Stop rattle whenever closing your trunk.

EASY TO INSTALL: Easy to put on and to remove. The flexible silicone edges wrap over the license plate for a perfect fit. Without worry about the sharp license plate scratch your fingers or scratch your new license plate cover. Four screws holes to mount the license plate and you don't need to buy additional installation hardware, because comes with a tool to help installation easier.

SATISFACTORY SERVICE: If you have any questions, please feel free to contact us, we are glad to solve all problems for you. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
