

Sonic the Hedgehog - Playstation 3 Review-2021

[Read Customer Reviews](#)

15 years in the making - After his 1991 debut, universal video game icon Sonic returns to his high-velocity roots to create a new dimension of entertainment.

Speed Redefined - Utilizing next-gen technologies, light bloom, and environmental motion-blur effects, Sonic's breakneck speed and dazzling world come to life.

Friends and enemies - Sonic is joined by friends and foes from the franchise history, as well as a new character, Silver, whose supernatural powers will wreak mayhem on Sonic's plans!

Realistic World - Using a next-generation physics engine, Sonic's moves, attacks and environment interaction respond realistically to opposing forces.

Two different types of stages - Town stages where Sonic will be able explore vast environments and play various sub-missions, and Action stages where Sonic's blistering speed will be utilized in full effect.
