Timeless Design
For 40 years and counting, the Timex Easy Reader has been a fan favorite. The iconic simplicity of the collection is exactly what a watch should be: a well-crafted and sensible timepiece.

Timex Easy Reader

Easy-to-Read Dial

True to its name, easy-to-read numbers are balanced with the clean dial design.

Attention to Detail & Quality

When it comes to a well-made watch, every detail matters. The all-metal case and mineral glass lens offer strength and durability.

Indiglo

Our revolutionary Indiglo backlight technology changed how the world told time in the dark.

Quick-Release Straps

Refresh your favorite watch with our interchangeable quick-release straps. Box set comes with a leather strap and stainless steel expansion band. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
