Unique weave texture helps lift and trap mess on many surfaces, including metal, granite, glass, and wood

2 absorbent layers soak up a variety of messes

Minimal lint makes it great for cleaning glass and mirrors

Task Size paper towel sheets = 11.0 inches x 5.7 inches

What is the difference between Viva Signature Cloth and Viva Multi-Surface Cloth towels?

Viva Signature Cloth paper towels are designed to be cloth-like, durable and used for deep cleaning.

Viva Multi-Surface Cloth paper towels have 2 absorbent layers designed with a unique texture to lift and trap mess on many surfaces.

What are Viva Multi-Surface Cloth towels made of?

Viva Multi-Surface Cloth paper towels are made from a combination of soft and hardwood pulp fibers and water. The end result is a strong, absorbent towel made to clean a variety of messes on a variety of surfaces.

Can I use Multi-Surface Cloth to dust my house?

Yes. Viva Multi-Surface Cloth is great if you want to lift and trap dust on your wood surfaces.

Don't forget you can also use it on other surfaces around your house, such as glass, marble and stainless steel.

Is it safe to use Viva paper towels in the microwave?

No. Any paper product can burn during microwave cooking if conditions are right and we do not recommend paper towels for use in microwave cooking.

Are Viva brand paper towels flushable?

No. Viva towels are designed to hold up to clean your home but will not break down for flushability.
