

# Willow & Everett Stainless Steel Salt and Pepper Grinder Set -Tall Shaker, Adjustable Coarseness, Refillable -Sea Salt, Black Peppercorn Mill Review-2021

[Read Customer Reviews](#)

**HIGH QUALITY GLASS AND STAINLESS STEEL GRINDER SET WITH STAND** These salt and pepper shakers feature a modern design and are stylish and elegant enough for kitchen-to-table use! \*Salt and pepper not included.

**BUILT FOR CONVENIENCE AND FUNCTION** Unlike other spice grinder sets, this salt and peppermill pair have their grinding mechanism on the top of the grinder, ensuring salt and pepper ends up only on your food -- not all over your table. The ceramic grinder is non-corrosive and won't absorb flavors, while a plastic knob on top of each salt and pepper mill allows you to easily adjust from a fine to coarse grind.

**EASY REFILLING WITH NO MESSSES** Don't you hate constantly having to refill your salt and pepper shakers? set is the perfect size This tall salt and pepper grinder set is the perfect size to cut down on constant refills without being bulky. When you do have to refill, the clear glass bodies will let you know when it's time! The stainless steel top easily screws off revealing a wide opening for easy and mess free refills.

**ELEGANT DESIGN** With its brushed stainless steel encasing, glass body and ceramic grinder, this unique duo is a professional, sleek addition to any kitchen, with a stainless steel lid that truly "caps" off this beautiful set. No tacky electrical grinders here means no batteries required--only a few effortless twists with your hand to experience that fresh himalayan salt, pepper, or other spice.

**HIGHEST QUALITY:** Built from the highest quality stainless steel and glass, these salt and pepper grinders are made to last. Featuring over 6,000 reviews with a 4.5 average rating, you can buy with confidence.**Ceramic Grinder**

The ceramic grinder in our mills is non-corrosive and won't absorb flavors, while a plastic knob on top of each salt and pepper mill allows you to easily make adjustments from a fine to coarse grind.

**Stainless Steel Stand**

These tall glass salt and pepper shakers 'feel' right in your hand, not bulky or off balanced. Includes a stainless steel stand for to help you get flavor from the kitchen to your dining table.

**Mess Free Refills**

When you do have to refill, the clear glass bodies of this salt and pepper mill set will let you know it's time! The stainless steel cover easily screws off revealing a wide opening for easy and mess free refills.

You have the perfect kitchen ambience, built with elegance, functionality and soul. The one thing that's missing is a stunning salt and pepper mill set that you can use to store and grind spices without creating a mess. Add this mill set to your spice cabinet and amplify the aesthetic and elegance of your kitchen and dining room. Each of the mills can store up to 3/4 cup of any spice you like, with a grinder you can adjust to your desired taste. Gift this perfect set of 2 to any new home-owner, friend, family member, co-worker, or newlywed whose kitchen look isn't complete without a salt and pepper set.
