White + Gold: our floppy hat is constructed of white straw + a hot-pressed gold glitter applique logo - the ultimate bridal combo!

Chain + Bow: we wanted to make our hat really special so we threaded a white, silk ribbon through a gold chain, wrapped it around the base of the hat, and then added a suede bow (we're only a little bit extra).

The Perfect Gift: whether you're shopping for yourself, your bff's bachelorette or your sister's honeymoon - this is absolutely the item you've been looking for ;)

One Size Fits All: each hat measures 16.5" from brim to brim and the diameter is 22" - fits all size heads and comes with a strap to ensure it stays on!

Instagram Friendly: our bride hat looks great on Instagram ;) Just add cute hair, champagne, maybe a pool, and you've got the shot! Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
